 HOLA - Located on the top/3rd floor of the "C" Building, this 2 bedroom 2 bath walk up condominium features commanding vaulted ceilings and perched ceramic parrots that let you know you've arrived at the perfect place to relax and unwind in always sunny Cabo! The residence has an updated kitchen with stainless steel appliances, a water filtration system and is equipped with all of the essentials in case you like to cook in. There are flat screen TVs in the main living room, and both bedrooms as well as complimentary Wifi. A large glass slider opens onto the front balcony and welcomes the outside in. A built in propane BBQ and outdoor seating make this the perfect spot for morning coffee, grilling the fish you caught or an evening night cap with friends all while enjoying the beautiful pool and court yard below. Recently added is a new washer and dryer for your convenience.
